

31 COURSE CEILINGS THROUGHOUT

HIGH CEILINGS TO LIVING, BEDROOMS AND BATHROOMS.

Raising your ceiling height from 28 to 31 courses creates a spacious, airy feel in your new home, adding both visual appeal and comfort. Higher ceilings allow more natural light to flow, creating an open, inviting atmosphere. This upgrade not only enhances the overall design but also increases property value by making rooms feel larger and more luxurious. Elevate your living experience with extra height, and enjoy a home that truly stands out.
